September 2017

Dear Parents

We are very excited to be able to tell you that we have secured an author visit for children in years 3 and 4 already this term.

On Monday 25th September, Nicky Dee will come to Portway to spend time with us. She is a dedicated dinosaur expert and a huge fan of dinosaurs! Having fallen under the spell of these ever-popular and prehistoric creatures, Nicky became so obsessed that she even changed her career to write books about dinosaurs full time!

The books she writes follow a simple approach of 'one book, one dinosaur' and, through reading them, children find new insights, backed by the latest paleontological research, about how each dinosaur really looked, survived and thrived. The bite-sized chunks of text are written in child-friendly language and the dinosaur names are spelt phonetically, which is a great help to children and even teachers! If you want to find out more, then please see Nicky's website – www.specialdinosaurs.com.

Children will be able to purchase copies of the following books on the day and Nicky will be around to autograph the copies they buy. We have been able to negotiate a discount for the book prices, making them cheaper than in the shops and this is detailed on the slip below. It is difficult to predict the amount of each book that we need to order for the day. If, for any reason we run out of a particular book, we should be able to make arrangements for further copies to be delivered quickly to school – we will just need to be a little more patient!

If your child would like to purchase any of Nicky's books, then please complete the slip below and send it in with your child on the day of the visit – Monday 25th September. The slip and money will need to be in an envelope, which is clearly labelled with your child's name and class. Please note that payments should be in cash or cheques (made payable to **Dragonfly Group Ltd**) we cannot take online payments for books.

Many thanks.
