Dear Parents

Portway Infant and Junior Schools regularly work together to review and revise the routines and services we provide that impact on our families, particularly our shared families juggling children between the two schools.

We also know our wraparound childcare provision is a much valued service for many of our parents. We have listened to the feedback from our parents using our Breakfast Clubs and their requests for an earlier opening time.

Therefore, from Monday 26<sup>th</sup> September, our Breakfast Clubs will open their doors at the earlier time of 8.00am. In recognition of the cost of living crisis we will not be making any additional charges this academic year, the cost will remain at £1.50 per child, per session.

Thank you for your feedback.
